

Earth Angel Foundation of Ohio, Inc.[®]

Dear Friend of the Earth Angel Foundation of Ohio, Inc.:

In 1986, two central Ohio car clubs combined their resources and talent to sponsor a car cruise for the benefit of terminally ill, or life-threatening, ill children.

In an effort to reach out to those families who need a reprieve from their every day challenges, the Earth Angel Super Cruise emerged. Billed as the "World's Largest Car Cruise", it spanned over 12 miles and had up to 1000 cars participating in a 60-mile cruise.

On June 16, 2012 our 26th Anniversary, the Super Cruise-In, Car, Motorcycle and Antique Tractor Show cruisers and spectators will be entertained by the following: to be determined. Please stay posted to our website for further information.

In order to insure the continued success of the Super Cruise-In, Car, Motorcycle and Antique Tractor Show, we are asking businesses and organizations for assistance. **We need your help as a sponsor** to help raise money to reach out to those families who need a break from their every day challenges against catastrophic illness. In return we will offer ad space in our souvenir program, (see formula below). PA announcements throughout the day, wherever applicable, Corporate Sponsor Award, and Corporate box seats (2) in the grandstand or bleacher seats on track. **You must RSVP, ASAP your preference, as seating is limited.** Being a sponsor also entitles you to participate in the send off of an Earth Angel child. We also provide free advertisement on our website www.earthangelfoundation.org.

The Earth Angel Foundation of Ohio, Inc. is an all volunteer organization with no paid employees. All net proceeds of the Super Cruise-In go to benefit the children. More than 174 children and their families have taken dream vacations to this date. We continually hear of more children who would benefit from a trip, and our goal is to respond to as many requests as possible each year. The children are, in many cases, accompanied by a nurse and/or special equipment at an average cost per family of \$9000.00.

Last year, due to your support, we were able to send 4 families on dream trips and we have many qualified families on the waiting list.

We will gratefully accept private or corporate donations as we are 501-C3 certified.
