

Clubs devoted to being **DREAM MAKERS**

Corvettes of Lancaster

Formed 38 years ago primarily as a social group with a common interest -- a love for Corvettes -- the **Corvettes of Lancaster** has grown into one of Central Ohio's most active service clubs. In 2007 it celebrated 35 years of service to the community.

Through the years the members matured and membership in the National Council of Corvettes occurred in 1976-77. Many members participated in competitive racing at that time. The members donate much of their time to driving in parades, chauffeuring local queens, displaying their cars at classic shows, organizing summer Saturday night cruises and coordinating efforts with local clubs to present the annual Earth Angel Super Cruise-In. Corvettes of Lancaster is involved with the Alliance Corvette Show that is held in downtown Lancaster, July 18, 2010.

Only one charter members remains, but the enthusiasm of the first group remains, and members are truly proud to be a part of the **Corvettes of Lancaster and The Corvette Movement**.

Remember The Wave

Lancaster Old Car Club

In 1954 a group of old car enthusiasts began meeting monthly and by 1957 thirty four members signed a charter for the formation of the "**Lancaster Old Club** whose object was to further and continue both the interest in and restoration of antique automobiles and to encourage the preservation of the antique auto in a historical sense."

In 1964 the 1st Annual Spring Festival was held at the West School playground with food furnished by the members. The 2nd Annual Festival was held in the Fairfield County Fairgrounds and included the Hocking Valley Steam and Power Club. This set the format for all the following festivals with updates in the food facilities, flea markets of over 500 spaces, added a very popular cruise in and have over 500 cars registered for the car show.

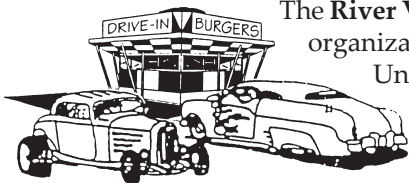

The club built a 30' filling station museum in 1979 and donated it to the Fairfield County Agricultural Society. Donations of car memorabilia is still appreciated. The festival jobs are handled by our 80-plus members, their spouses, friends, relatives and neighbors.

The income from the Spring Festival puts on the two-day show and makes it possible to contribute to several local charities and fund two scholarships annually. The members still find time for monthly meetings, shows, cruise-ins, picnics, carry ins and the Leaf Tour. The season and the year ends with the annual Christmas Party and Awards Banquet for the people who help make the club and the Spring Festival a big success.

River Valley Rods and Customs

The **River Valley Rods and Customs Car Club of Lancaster** was formed in 1988. We are a non-profit organization with all proceeds going to charity. We have made donations to the March of Dimes, United Cerebral Palsy, Toys for Tots, Earth Angel Foundation, and many needy families. We have helped raise money to purchase a wheelchair lift equipped van for a victim of Cerebral Palsy. We support a family at Christmas, and have raised money for accident victims to help pay medical bills.

At our cruise-ins we sell chances to win door prizes that are donated by community businesses and private donors. All proceeds go to charity.

As old car club enthusiasts we attend cruise-ins and car shows in Ohio and surrounding states. These functions are also for charity.

With your donations, we can provide support and entertainment for our community.

If you have any questions, please call Lowell Bixler (President) at (740) 653-6488 or (740) 243-7410.. Thank you for your support and we hope to see you at our cruise-ins.

Clubs devoted to being **DREAM MAKERS**

Classic Cruisers Car Club

Classic Cruisers Car Club was formed by several friends and their families who enjoy cruising in their nostalgic vehicles. The club was formed March 1995 as a family oriented non-profit organization.

The Classic Cruisers Car Club is proud to be a part of the Earth Angel Super Cruise-In.

Mid-Ohio Ford Club

Mid-Ohio Ford Club was formed in 1989 by a group of Ford enthusiasts and their families who all enjoy the same hobby.

Throughout the year we are host to several events with the most important one being the Columbus Spring Swap Meet the first weekend of April. It's the largest indoor all Ford swap meet in the country and is held at the Ohio Exposition Center.

At the beginning of each year we plan three trips to various car shows that we attend as a group for fun and relaxation, and for others who like to move a little faster we also do several drag racing events.

We have supported the Earth Angel Foundation of Ohio, Inc. for many years and we have seen the many smiles they have put on so many childrens' faces. Good job guys and gals, and keep up the good work!

Chelle's Angels Chapter

Chelle's Angels became a chapter of The Women in the Wind International Organization in March 2007. Our mission is to promote a sisterhood and camaraderie among women motorcycle riders through participation in club rides and activities. We encourage safety and knowledge in all aspects of motorcycle riding and ownership. We support, mentor and encourage women riders of all skill levels in a group environment. It is a club priority to give back to the community, where there is need, by giving of our time to raise monies for charitable causes.

Yearly we work to provide back to school supplies to Big Brothers/Big Sisters of Fairfield County, raise money for the Lighthouse, and support the American Red Cross Ride for the Red. We also support fund-raising efforts of other groups by attending their events.

We are also very proud supporters of the Earth Angel Foundation, and we hold an annual poker run to raise money for an assigned Earth Angel child's dream trip. We love that we can include the child and their whole family in our event! This year our poker run will be held Saturday, August 27. More details at: <http://chelles-angels.tripod.com>.

Chelle's Angels meets the third Wednesday of every month at the Hocking Hills Motorcycle Ranch at 7 pm. We always welcome new members! You can e-mail us at chelles-angels@hotmail.com.

LOBO

Several friends that rode motorcycles together in the seventies formed the Lancaster Ohio Bikers Organization in 2000. LOBO was started as a fun group, mainly to meet new riders and renew old acquaintances. Along the way the members saw an opportunity to raise money for charities. While riding and creating motorcycle awareness, LOBO has raised thousands of dollars for local charities. From the start of LOBO's four original members in 2000, today the membership is 154 members and still growing.

LOBO's future plans are to keep growing, as the need for motorcycle awareness will never end. We will also continue to raise money for worthy charities, because every LOBO member knows the good feeling in their heart while also feeling the wind in their face.
