# SOME OF THE CHILDREN YOU HAVE BEEN A "DREAM MAKER" TO IN THE PAST YEAR

In 1986 the Earth Angel Foundation of Ohio, Inc. was created as a 501C3 charity to send Ohio children with terminal or life-threatening illnesses and their families on dream get-a-ways. Basically, it's a chance for these children, our Earth Angel Super Kids and their families to have fun, to relax and to smile. The foundation is an all volunteer organization. There is no paid staff. All net proceeds go to the children.

Since 1987 we have sent 227 children and their families on dream vacations throughout the United States. These children have always dreamed of being able to travel and live as any child would, if even for just a little while. And, with the help of our many volunteers, the general public and generous support of our sponsors, we are making that possible.
